Date: May 26, 2008

Subject: End of Life (EOL) Notification for: CO711

Product Identification: P/N: CO711AG/66BI-3G

Product Package: Chip

Description of Change: This product will be eliminated from Connect One's product line.

Reason for EOL: Lower cost alternative with identical form factor & functionality

Application Impact: None.

Replacement Parts: CO710 and CO711 chips have been combined, with CO710 now containing the functionality of CO711. CO710 can now run CO711 firmware with 100% backward compatibility. Current CO711 customers need to specify CO711 firmware version required when ordering, which will be loaded onto the CO710 chips.

Last Order Date: June 30, 2008

Minimum Order Quantity (MOQ): 3,360

All orders booked for delivery as from May 26, 2008 must be booked as non-cancelable and non-returnable (NCNR). The reason for this is that Connect One will be manufacturing based entirely on customers' last-time requirements.

Last Shipment Date: September 30, 2008
