RoHS Declaration

ConnectOne Ltd declares hereby that all its products are compliant with EU Directive 2002/95/EC (January 27, 2003) pertinent to Restriction of the use of certain hazardous substances in electrical and electronic equipment.

We took any measure to ensure that our products do not contain any of the hazardous substances that are mentioned in the Directive: Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls (PBB), Polybrominated Biphenyl ethers.

We confirm that as of July 1, 2006, any and all delivered products are fully compatible with the above mentioned RoHS Directive.

Our customers' safety and well being is among our main concerns.

Avi Provizor, קונקט-1 בע"מ
COO Connect One Ltd.
